YOUR SERVICE EXPLAINED

HOME START

If you breakdown anywhere in Northern Ireland or Republic of Ireland, a recovery operator will be dispatched to assist you. If your vehicle can be repaired, up to one hour's free labour is provided. Otherwise, we will tow your vehicle to the nearest repairer. If your vehicle can not be fixed locally within a reasonable time period, we will take it to any one place within Northern Ireland.

PUNCTURES

We'll change your wheel if you're carrying a suitable spare.

LOST KEYS

If your keys are lost, we will send a representative to assess the vehicle recovery requirements and, where specialist equipment is required, we will take your vehicle to the nearest secure area until a replacement is found. If your keys are locked in the vehicle, we can help to access the vehicle.

FUEL SHORTAGES

If you run out of fuel, we'll take you and your vehicle to the nearest petrol station.

CALL OUTS

Our service covers up to a maximum of 3 call outs during the 12 months after purchasing the service.

VEHICLE COVERED

Our service is sold on a per vehicle basis and covers anyone driving the specified vehicle.

ADDITIONAL BENEFIT - GB BREAKDOWN COVER

If your vehicle suffers a breakdown incident or if you are involved in a road traffic collision that renders your vehicle immobile whilst travelling in Great Britain, Granite Breakdown will refund to you any recovery costs that you incur subject to a maximum payment of £350 (incl. VAT). We will not recover your vehicle from the scene. This benefit is inoperative if you also have cover from an insurer or another breakdown organisation.
